

Year 3 Newsletter 5/1/2021

Hello everyone,

We hope you had an enjoyable time over the holidays with your family. We really wish that we were welcoming you all back into school this week but we know this can't happen just yet.

All of the adults in Year 3 have been busy getting work ready for you to complete at home this half term. We want to let you know we will make sure we keep in contact with you through the school website, Seesaw, the learning email and telephone calls.

We are looking forward to seeing the fantastic work you will be doing at home and we will be giving you regular feedback to help with your learning.

You can either send your work through Seesaw or to the learning email:

learning@beechwoodprimaryschool.co.uk

The work pack you can collect from school will have all the work for two weeks and it includes your Seesaw password. When you log on to Seesaw there will be different tasks on the activities section for you to complete. Miss Spooner and Miss Callaby will be adding tasks each day and when you send us them we can give you individual feedback.

Don't forget you can log on to Purple Mash, Timestable Rockstars and Bug Club too. All your passwords are in your work pack.

This term our new topic is all about 'Our Community'. We will start off using different maps to find out more about the world and then we will find out more about the community we live in. What do you want to find out about? What would you like to know about your community? If you have ideas, please let us know.

Home Learning timetable

Week 1	Maths everyday	English	Reading	Spelling	Foundation subjects
	Multiplication and Division work in your work pack	First News Work each day.	Please do some Reading regularly at home. Remember you can log on to Bug Club and choose a book to read. Your password is in this work pack.	Practise some of the spellings on the spelling sheet in your work pack. How many can you spell by the end of the week?	Our Community new topic launch.
	Timestable practise	Handwriting practise		Can you write them in sentences?	Use the map of the world in your work pack to see what you already know and what you remember from Year 2.
	How many multiplication facts do you know off by heart?	Remember to write taller letters and letters under the line properly.			What would you like to find out about your community?
	Do you know the division facts as well?				

Week 2	Time Work in your work pack. Timestable practise How many multiplication facts do you know off by heart? Do you know the division facts as well?	First News Work each day. Handwriting practise Remember to write taller letters and letters under the line properly.	Please do some Reading regularly at home. Remember you can log on to Bug Club and choose a book to read. Your password is in this work pack.	Practise some of the spellings on the spelling sheet in your work pack. How many can you spell by the end of the week? Can you write them in sentences?	Look at the links below for some ideas or find out more about The United Kingdom.
