

Hello!

We hope you are all well. We have provided some resources so you can continue to learn PSHE at home. The **BBC** have uploaded loads of videos to help you develop your PSHE skills. Visit: <https://www.bbc.co.uk/bitesize/dailylessons> and select your year group, then look for the daily lesson on Wellbeing. In addition, we have added Twinkl worksheets to class pages where relevant.

Would be lovely to see photographs of some completed sheets for our school website and Facebook page.

Mrs Giles
