

Hello everyone,

How are you getting on at home?

We hope you are enjoying lots of time with your family. Well done to everyone who is working hard. We hope you are enjoying the work we are setting for you. Thank you very much to everyone who is emailing us. We love seeing your work, reading your letters and hearing about your research. Keep sending this to: learning@beechwoodprimaryschool.co.uk

COMPETITION TIME😊

Since it is now the Easter holidays, we thought you might like to send us something Spring/Easter/Holiday themed. We can't do our usual competitions in school but we could show your entries on our website and choose some winners. You could make a model, draw a picture, make a poster, write a poem or create anything else of your choice with the theme of Spring, Easter or Holidays.

Email your entries with your name to:
learning@beechwoodprimaryschool.co.uk

The last day for this will be 19th April.

Have fun creating😊

Take care everyone, we are missing seeing you at school.
From everyone at Beechwood.😊
