

Reception

Summer Maths Challenge

Play your favourite game with your family and see who scores the most points.

Go shopping with your grown up and see what numbers you can see.

Go on a shape hunt in your house and garden. What shapes could you find?

Time – what can you do in 1 minute?

With an adult choose a recipe to follow. Can you weigh all of the ingredients?

Choose some games from the following website to play.

<https://www.topmarks.co.uk/maths-games/3-5-years/counting>

How long does it take you to walk to the park with your grown up?

Can you count forwards and backwards to 10 or 20?

Go on a counting hunt in your house and garden. Can you find 5 leaves? Can you find 6 socks? What else can you find to count?

Read your favourite story with an adult. Can you count how many pages it has?

Can you measure the height of different people in your house? Who is the tallest? Who is the shortest?

Spotting numbers – Can you go on a number walk and see how many numbers you can see? Look at house doors, buses and signs for lots of numbers!

Use different items around the house like spaghetti to make different shapes.

Go a nature hunt and collect objects. How could you sort these into different groups?

Make some paper aeroplanes and see which can travel the furthest.

Invent your own maths game and play it with your family.
