

Letter to Amelia, Logan  
and Kaya

Dear Amelia, Logan and Kaya,  
It was good to hear from you.

Maybe when you come to India next  
I can cook Biryani for you, a special  
Indian delicacy. I am in year 6. I am not  
a vegetarian as my family is  
also non-vegetarian. India is a  
country of many languages and  
traditions. Now India is the fastest  
developing countries in the world. We  
also keep going on school trips now and then.  
I am an avid basketball player and also

like cricket.

Hoping to hear from you again.

Love  
Niveen
