## Home Learning Challenge Ideas

Can you plant a seed? Can you describe what happens to it?

What plants are in your garden?

Can you take a photo of plants you see on a walk to the park?

What can you cook with your adult using vegetables?

What fruits and vegetables do you like to eat?

Can you create some fruit or vegetable art work? You might print with paint, draw some you have at home or create a photo collage.

We would love to see any of your own topic work that you choose to do at home. You might do something completely different to these ideas.
