

Every Friday, we celebrate children's attendance and punctuality.

Just like Alia and Pedro, coming to school every day is important. Every day, children are showing their commitment to learning and having a great time. Classes with the best attendance and punctuality are rewarded weekly with Alia and Pedro frames during Friday assemblies. Keep it up, everyone!

Be Like Pedro!

Pedro arrives at school on time every day. Being on time helps Pedro start his day strong. Let's all aim to be like Pedro and make the most of our school days!

Be Like Alia!

Alia comes to school every day. With 100% attendance, she is always ready to learn and have fun with her friends.
