

Celebrating Attendance at Beechwood Primary School

At Beechwood Primary School, the end of the **Autumn Term** was a fantastic opportunity to celebrate and reward our children's efforts in attending school regularly and being punctual.

We proudly celebrated 80 children with perfect attendance (100%) and 156 children with excellent attendance (above 95%). Children were rewarded with Cadbury chocolate selection boxes and certificates recognising their efforts and determination in achieving this milestone.

Additionally, we celebrated the children with the most improved attendance, recognising their commitment to improving their punctuality and presence. These students received individual prizes and certificates for their consistent efforts in coming to school every day.

Our weekly friendly competitions between classes also came to a final draw at the end of the autumn term. We rewarded the top three classes that shone brightly with their attendance throughout the term.

Congratulations to Class 10, Class 7, and Class 13 for their consistent and brilliant attendance during the autumn term.

Well done everyone and keep it up!

We would like to thank everyone for their contributions to improving school attendance and punctuality.
