Rapunzel

A witty twist on a favourite fairy tale, this bold and funny story removes the handsome prince altogether, making Rapunzel the mistress of her own destiny. Golden-haired princess Rapunzel is kept trapped in her lofty tower by a wicked witch, who lops off locks of her beautiful hair and sells them for her own profit. Can Rapunzel ever figure out a way to escape? From the creator of Little Red, a New York Times Best Illustrated Children's Book, Bethan Woollvin's unique and striking art, printed with stunning pantone inks, and her drily comic voice make this the perfect gift for fairy tale fans of all ages.

Little Red

The perfect gift for fairy tale fans of all ages, complete with tree-shaped cover flaps, and bright, bold colours that make this a sumptuous sight to behold. Little Red Riding Hood meets a wolf on her way through the woods to visit her sick grandmother.

The wolf is hungry, and Red Riding Hood looks tasty, so he hatches a dastardly plan, gobbles up Grandma and lies in wait. So far, so familiar. But this Little Red Riding Hood is not easily fooled, and this big bad wolf better watch his back. In this defiant interpretation of the traditional tale, the cheeky, brave little girl seizes control of her own story (and the wolf gets more than he bargained for).

Luna And The Dragon

An inspiring story perfect for little stargazers. Luna loves the sky and finding out about all the wonders she can see above her. But the villagers can't stop worrying about the mythical Sky Dragon a fearsome creature who is said to dwell in the sky. Can Luna share her love of the sky and show the villagers that the Sky Dragon is nothing to be afraid of? Featuring real constellations as well as facts about the milky way, eclipses, comets and other astronomical delights. Luna and the Sky Dragon is a warm and playful story with lots to learn and talk about from Bethan Woollvin, the New York Times-bestselling creator of Little Red, Rapunzel, and illustrator of Meet the Planets and Meet the Weather written by Caryl Hart.
