

Physical education vision at Beechwood Primary school

Our vision at Beechwood Primary School is to ensure all children enjoy physical education and sport. Through physical education and sport we aim to improve our pupil's health and wellbeing, promote active participation and for each child to fulfill their potential. We aim for all children of all abilities to develop and achieve through PE and sport. Every child should have the opportunity to experience a variety of sports and activities in and outside of the curriculum, also allowing children the chance to compete. A balance of individual, paired and group activities; co-operative, collaborative and competitive situations will aim to cater for the preferences, strengths and needs of every pupil at Beechwood. Such activities, experienced within a range of areas of activity, aim to promote a broad base of movement knowledge, skills and understanding. They will learn to develop the important qualities of discipline, resilience, communication, fair play, respect, team work, and ambition, leading them to improved concentration, attitude towards learning and academic achievement.
