WORLD
BOOK
DAY

This year our theme to celebrate World Book Day is 'Read Your Way'. Children will have the chance to share a book with a child from a different year group during a book picnic.

Come to school dressed as your favourite book character or something comfy you enjoy reading in.

Can you design your own book character out of a potato? Enter our competition to win a £5 book voucher to spend at the Book Fair later this month!

We would also love to see photos of you reading your own way in different places. You can send photos to:
