

Dear Parents and Carers,

Update on WAC (Wrap Around Care) Provision

Please see updates below: Coming Soon.....

Proposal date start of our new Wrap Around Care (WAC) provision will be from the 3rd November, Plans are in motion and will most likely take affect following October half term. However, we are hopeful that we may be able to bring this date forward. Dependant on our on-going progress with the Ofsted registration process.

While we understand this may cause inconvenience, it is essential that the provision is fully registered and that our setting is properly prepared before we open. We are committed to ensuring that the care we provide meets the highest standards of safety, compliance, and quality.

We sincerely apologise for any disruption this may cause to your current arrangements and appreciate your understanding and patience as we work through the necessary steps to ensure everything is in place.

We will keep you updated on progress and confirm the official start date as soon as we are able.

Thank you for your continued support.

Kind Regards,

Adam and the Premier Team
