

SEACROFT FOLK CAN: SUPPORT WITH FINDING A JOB

Friendly one to one support for people who are looking for a job

Who is the support for?

This support is free for all adults who are currently unemployed and living in Seacroft. Also, if you've been out of work for a while or been made redundant and feel your confidence has been knocked a bit, you're not alone. Lots of people are in the same position and we're here to help.

What will happen in the support sessions?

You will meet with us at a time to suit you over a cuppa (or on the phone if you prefer) and we will listen to you and your future goals. We will then support you any way we can to achieve your goals. For example, if you said you wanted to make a CV or build your confidence up in interviews, we would support you to do just that.

Also, it's OK if you're not sure what support you need yet or what kind of job you might want - we can help you to find the best job or next step for your personality and skills.

How do I join?

All our support is free. First priority is given to people living in Seacroft. If you are a bit unsure or have any questions, please let us know. We are a friendly team and we'll do our best to put you at ease.
