

Year 3 Group Distance Learning Provision Autumn Term 2.

Dear Parents and Carers,

Outlined below are the lessons your child could and should access if they are unable to attend school for a period during this half term, due to self-isolation etc. We have outlined suitable lessons that match our curriculum for this half term. We recommend your child completes English and Maths lessons daily – and 1 lesson per week for the remaining subjects.

Please note – this is NOT homework. This is suggested provision for your child only IF they are unable to attend school.

In addition to the below, we would suggest that your child should be reading for at least 30mins per day. Your child also has access to Sumdog and should use this for daily practice of fluency and other maths curriculum objectives - we would suggest at least 15mins per day on this.

Please remember, in the event of a full bubble closure, we will send you updated recommendations.
