

Dear Parents and Carers,

We are delighted to share some exciting news—**Premier Education will be launching a brand-new wraparound care service at Beechwood Primary School starting this September**

This high-quality provision will run **from 7:30am until the start of the school day**, and again **from the end of the school day until 5:30pm**, offering families flexible and reliable childcare to support busy schedules. We will be able to offer this provision to children from reception to year 6 from September.

Our wraparound care will include:

- A **nutritious breakfast** in the morning and a **healthy snack** in the afternoon.
- A wide range of **fun and exciting games and activities** to keep children engaged and happy.
- Daily **structured sport and physical activity**, delivered by trained professionals, to promote physical health and wellbeing.

We're currently finalising our Ofsted registration and expect to be able to **open bookings before the end of the school year**. We'll keep you updated with full details on how to secure your child's place very soon.

We are thrilled to be working in partnership with Beechwood Primary School and look forward to welcoming your children to a safe, inclusive, and enriching wraparound care environment.

Warm regards,

Adam Palmer

Premier Education
