

Nursery Newsletter

In the garden

This half term we will be learning all about 'In the Garden' in Nursery. We will be learning about what we might find in the garden from minibeasts, plants and wildlife. The children will get opportunities to plant, explore fruit and vegetables and look for minibeasts.

Please also use Tapestry to upload any 'wow' moments your child has at home.

Important Dates

Wednesday 14th May - Stay and Play sessions

Wednesday 11th June - Stay and Play sessions

Wednesday 25th June - Stay and Play sessions

There will be one session at 9am and one session at 2.30pm. Please continue to bring your child to their normal session on the Wednesday. One parent or guardian is invited to join us for one of the sessions for fire safety reasons.

Wednesday 9th July - Graduation Day (times to be confirmed)

This will only be for the children that will be moving on to Reception in September.

I would like to introduce myself. I'm Mrs Matharoo and I'm so excited to be joining the nursery team as the class teacher. I have worked in the school on and off for 6 years and have taught lots of the key stage one and reception children. I was even lucky enough to teach some of the September starters last year. Please feel free to come and say hi or ask any questions. I'm always happy to help!

We would also like to take this opportunity to say welcome to the new comers starting this term; we look forward to you being part of our nursery family.

Thank you for your continued support,

The Nursery Team.
