

Nursery Newsletter

New Life

This half term we will be learning all about 'New Life' in Nursery. We will be learning about what new life means and exploring what creatures come out of eggs. Children will be matching baby to adult animal and learning their animal names. Children will be exploring what Spring is and what changes they can see in the environment.

The Stay and Play sessions will be Wednesday 12th and Wednesday 26th March. There will be one session at 9am and one session at 2.30. Please continue to bring your child to their normal session on the Wednesday. One parent or guardian is invited to join us for one of the sessions for fire safety reasons.

World Book day is Friday 7th March and children are invited to come in dressed as their favourite character.

Please also use Tapestry to upload any 'wow' moments your child has at home.

Thank you for your continued support,

The Nursery team.
