

Hello Year 4,

Because you are unable to come to school today, we thought we would write you a letter with some suggestions of tasks you can do at home. Here are some ideas for activities you could do:

Times Table Rock Stars/ Hit the Button - We have been focusing on knowing our times tables quickly and accurately. You could also practise knowing your number bonds within 100 to help you become an even better mathematician too.

<https://ttrockstars.com/>

<https://www.topmarks.co.uk/maths-games/hit-the-button>

These are the time table facts we have been learning that you could practise too.

$9 \times 9 = 81$

$5 \times 12 = 60$

$12 \times 12 = 144$

$6 \times 6 = 36$

$11 \times 12 = 132$

$12 \times 8 = 96$

$7 \times 8 = 56$

$8 \times 8 = 64$

$9 \times 12 = 108$

Choose an activity from your Autumn home learning grids

These can be found in your home learning diaries and on your class page of the school website.

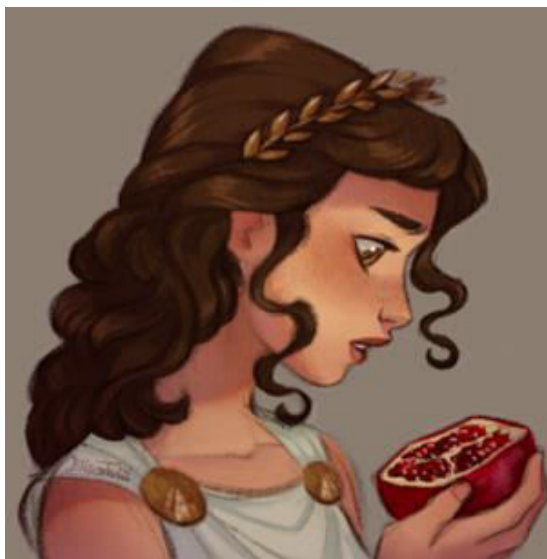

Purple Mash

Choose an activity to complete such as coding, SPaG games or Maths games

<https://www.purplemash.com/sch/beechnwood-ls14#/>

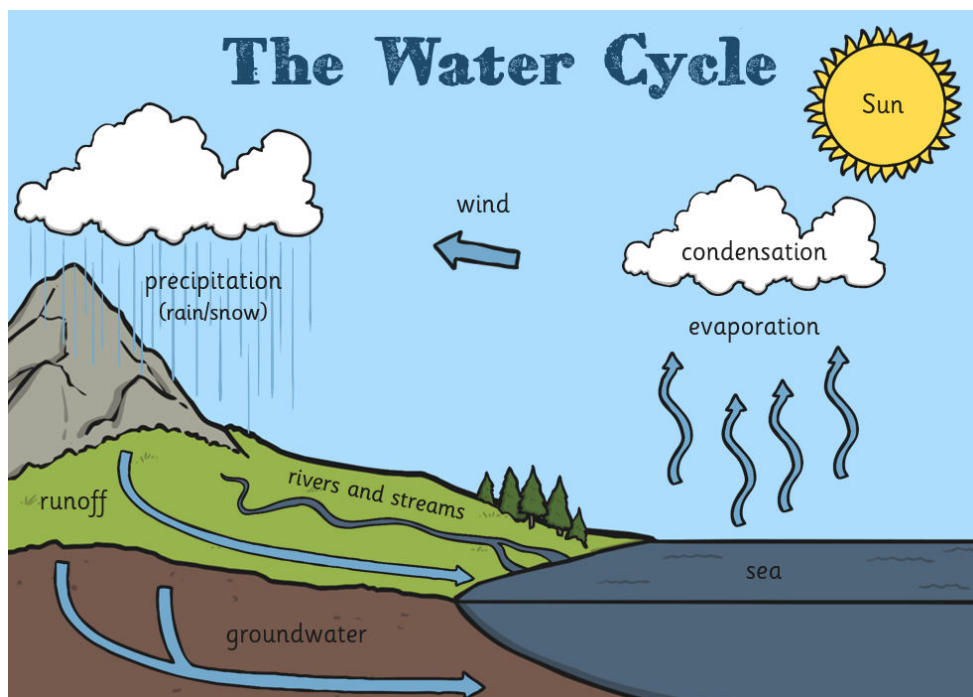

Writing

Complete a piece of creative writing using this picture

Science

Can you research the water cycle for our new science topic 'States of Matter'? You could make a poster to show what you have learned. 😊

<https://www.bbc.co.uk/bitesize/topics/z6p6qp3/articles/z3wpp39>

Use this to help you and you could even try the quiz to test your knowledge.
