

Home Learning, 10.03.23

Good morning Year 4,

As we are not in school today, we would love for you to do some home learning.

Here are some suggestions for your home learning today:

Maths

- For maths today, practice your times tables on Times Tables Rock Stars - <https://play.ttrockstars.com/login/3913> we are excited to see your high scores!
- Ensure this week's maths homework is completed.

English

- Ask a grown-up to test you on this week's spellings.
- Read your fluency book to someone at home.
- Write a story using the following image as your prompt:

PE

- Try a Cosmic Yoga session <https://www.youtube.com/@CosmicKidsYoga>
- Do a 'Mindful March' session <https://www.youtube.com/watch?v=jXoGphltt6M&list=PL9o1tPFD14MRKZF1PYmh2BAnb9diP4NwO&index=2>

French

- Go to the Language Angels website and use your class login (case sensitive) to access the Pupil Games Area. <https://www.languageangels.com/schools/>

Class	Username	Password
Class 7	class7c	games
Class 8	class8s	games
Class 9	class9m	games
Class 10	class10m	games
Class 11	class11b	games
Class 12	class12sh	games
Class 13	class13w	games
Class 14	class14g	games

TSU, Ghana

Complete some activities form our home learning mat:

- Can you design your own map of Ghana using different materials?
- Can you make your own Ghanaian flag using the correct shapes and colours?
- Can you make a fact file about Ghana, including what cities there are and any other interesting facts?
- Can you find out about the food of Ghana or cook some of your own.
- Can you research traditional art and create your own artwork in a similar style?

Golden Time

- Have some fun in the snow! You could make a snow angel, build a snow character or even have a (gentle) snowball fight!

We can't wait to see what you have been up to! We will be celebrating all home learning completed in our next celebration assembly.

Stay safe and we look forward to seeing you all on Monday. ☺

From,

Miss Moss and Mrs Mulvihill
