

Year 6 Snow Day Learning

Dear Parents and Carers,

As the school has been closed today because of the snow, below there are home learning activities for your child to access. We would like to see any tasks done from the home learning grids and your child could also bring these in to school on Monday. We have already had some very impressive home learning in this year, so we are excited to see even more!

As well as doing some home learning today, we want Year 6 to have fun in the snow! We want to hear all about any snow men or walks in the snow on Monday.

Thank you,

The Year 6 Team
