Houses and Homes around the World

Historical Facts to Learn

- Houses tell us something about the people who built them and the times in which they lived.
- Houses from the past have similarities and differences to houses today.
- People used to live in caves but over time they learned to build their own shelters, and then homes.
- The Celtic tribes built roundhouses made from wood and straw, stuck on with mud.
- The Tudor houses were made from wood and the spaces in between were filled using small sticks and wet clay.
- In Victorian times people could build their houses using materials from anywhere.

Home Learning Challenge Ideas

Places to visit to learn about homes in the past...

- Abbey House Museum
- York Castle Museum
- Seacroft Village. There is lots of history to see in the village. Look out for the QR codes to find out more about different properties.

You could also:

- Make a home from the past using junk modelling
- Draw a home from the past
- Make a collage of a home from the past
- Write about a home from the past

Please could your child bring in anything they do at home. They can share it with their class and we can show it on the school website.
