Dear Miss Callaby and Miss Smith

Hello! Thank you for your letter. I am fine, how are you? Yes, I am having a lovely time at home and I have done a lot of learning. I have found out a lot of things and I tried to do hieroglyphics, I spilt coffee on the paper to make it look aged. My dad and sister wanted to have a go at it too! Hieroglyphics are the way the Egyptians used to write.

I have been joining in with Joe Wicks too, with my little brother and sister. My Dad did it a few times and we even made my Mum have a go! We haven't missed a day so far.

I have had a lot of outdoor time in my garden when it was nice weather. We put a tent up in the garden to pretend we was on a camping holiday.

Have you managed to do your walks?

Take care, stay safe.

Write back soon!
