

YEAR 3 HOME LEARNING

Week commencing 16th November 2020

Dear Class 8,

I am so excited to do some home learning with you this week. Any work you complete this week can be sent to learning@beechwoodprimaryschool.co.uk. Remember you can also use your seesaw logins (<https://web.seesaw.me/>) to upload any work you complete or to complete any tasks I set. I will be checking daily! I can still give out dojos from home. 😊 I am sure I will be very impressed with what you come up with and I can't wait to see your work!

Miss Callaby and I have prepared work packs for you with lots of activities that will help you practice all the skills you have learnt with us so far in Year 3. These packs include work to help you with your grammar, reading, english, spelling and maths skills. Please contact the school to collect a work pack.

MATHS

Please click on the link below and follow the weekly lessons to carry on practicing your column addition and subtraction.

<https://whiterosemaths.com/homelearning/year-3/week-7-number-addition-subtraction-2/>

This week in Maths we would have been looking at doing the grid method as we had been practicing our tables!

The multiplication work sheets you need to complete will be in your work packs but I will also attach copies onto seesaw. You can contact me on there if you need any help.

To show you how to complete the grid method, you can find a video on our school website which is linked below. If you need help to show you how to do column addition and subtraction, that is on there too! You need to scroll through the methods to find the right one. You will find them at: <https://www.beechwoodprimaryschool.co.uk/year-3-methods/>

ARITHMETIC

Don't forget to keep practising times tables and number bonds. Do you know every answer to X2, X3, X4, X5, X10 in and out of order really quickly? Get someone to test you to see how well you do. 😊

ENGLISH

I will be uploading chapters 3, 4 and 5 of Beowulf onto Seesaw. We have previously read chapter 3. Beowulf who was leader of the Geats had come to Heorot with his men to help King Hrothgar and the Danes defeat Grendel. In chapter 4, Beowulf has had a meeting with King Hrothgar. He invited Beowulf and the Geats to have a feast in the hall. Hrothgar then accepts Beowulf's offer to fight Grendel, though he warns him that many heroes have died in the hall trying to battle the monster.

What do you predict will happen next? Will Beowulf be able to defeat Grendel? There is a sheet in your work pack, you can write to me on Seesaw or send your prediction to learning@beechwoodprimaryschool.co.uk.

SPELLINGS

This week we are learning to spell different verbs from Beowulf!
Can you think of other effective verbs that you could add to this list?

growled
howled
screamed
shrieked
marched
roamed
pounced
crawled
smashed
refused
defeated

READING

Please keep reading at home! It is very important that you try and read at least 3 x per week. Your work packs contain different guided reading comprehensions for you to complete. ☺

TOPIC

We have already started to research the Anglo-Saxons! Can you keep finding out about them and complete a poster to show me what you have learnt? You can use BBC BITESIZE to help you.

<https://www.bbc.co.uk/bitesize/topics/zxsbcdm/articles/zq2m6sq>

In science this term we are going to be learning about rocks and soils. What can you find out about this topic? How is a fossil made? How is soil made? What different types of rocks are there?

We would love to see your work: learning@beechwoodprimaryschool.co.uk

PE

GoNoodle is a free online resource that provides tons of ways for kids and families to be active, stay mindful, and keep on learning!

<https://www.gonoodle.com/good-energy-at-home-kids-games-and-videos/>

Purple Mash

<https://www.purplemash.com/#tab/pm-home/computing>

Log into purple mash and start looking at coding under the section '2 code'. See if you can complete some of the activities on the 'chimp section'!

Please look after yourselves and your family. Stay safe and we hope to see you all again very soon.

Miss Spooner ☺
