

Year 2 Newsletter

We hope you all had a lovely break over the Easter holidays and are ready for lots of learning this term.

Summer term

This term we will be learning all about 'The Seaside'. We be learning about different habitats and the animals that live near the seaside. We will also be comparing Scarborough to Seacroft by identifying the human and physical features. We will also be finding out about seaside holidays in the past, why they were so popular and what people liked to do for fun there. We will be taking part in an interesting Punch and Judy workshop in school to find out about the popular seaside past time.

P.E.

Our P.E. days are **Tuesday** and **Thursday** every week. On these days, **please send your child to school in their kit** as they will not be able to get changed in school. Most sessions will be outdoors so they will need trainers, jogging bottoms, a t-shirt and a jumper.

Reading books

It is really important that your child reads at home as well as at school to ensure they continue to make good progress and develop a love of reading. Please aim to read with your child at least three times a week. Children that consistently do this will receive a prize and certificate at the end of each half term. Please make sure your child has their book and reading record in school every day. We will change your child's book once a week.

Many thanks,

Miss Westfield and Miss Karagic ☺
